

LA JOLLA MONTESSORI SCHOOL ENROLLMENT AGREEMENT

Both parents and/or guardians must initial and sign this agreement.

La Jolla Montessori School agrees to reserve a space for your child to enroll at La Jolla Montessori School (LJMS) for the 2025-2026 school year. In consideration of the acceptance of this Registration Agreement by La Jolla Montessori School, the undersigned agrees to the conditions as specified below.

1. Pay the Annual Enrollment and Material's Fees (non-refundable) due at time of enrollment:

Annual Enrollment Fee: \$200

Annual enrollment fees are used to cover the administrative expenses of many of the software systems we use to manage enrollment (Childcare Forms), tuition and licensing requirements (ProCare). Remaining funds are used for capital improvements. For example in the 2023-2024 school year we used funds to install new turf on the upper primary playground, add additional drainage to the toddler playground and repair the kitchen plumbing system.

Annual Materials Fees: \$200

Each year, a portion of the natural materials in the classroom must be repaired or replaced. Half of this fee goes directly to the classroom. The other half of the budget is used to support all-school events and crafts.

2. Pay the Annual Non-Refundable Last Month's Tuition (June 2025) due at time of enrollment:

TODDLER (18-36 months old):

5 Half Days 8:30-12:30

\$1,820 per month

5 Full Days 8:30-3:00

\$1,950 per month

PRIMARY (3-6 years old):

5 Half Days 8:15-12:45

\$1,710 per month

5 Full Days 8:15-2:45

\$1,910 per month

3. Choose a Payment Plan Option for the 10-month contract: (refundable with 30-days notice)

Plan A – Annual – Single payment of complete school year, less 5%. This annual payment is payable any time before August 25th.

Plan B –Monthly Installments – The annual tuition listed above can be broken into 10 equal installments. LaJolla Montessori SCHOOL

Enrollment Policy

La Jolla Montessori School (LJMS) promises to provide a Montessori education as defined by the Association Montessori Internationale (AMI) and as found appropriate for the child. The parents promise to abide by all school rules, including but not limited to, those set forth in the school's Parent Handbook and those set forth by the Director for each school year.

By signing this agreement parents/guardians understand that they are committing to attend La Jolla Montessori School for the full program stated above (Toddler and/or Primary) unless they give **a 30 day notice prior to leaving the school.** Last month's tuition (June 2026) and all tuition installments paid for services used are non-refundable. In the event that LJMS requests the child evaluated by an outside healthcare or educational professional for supplemental services, parents/guardians agree to comply promptly and at their own expense. In the event that such testing shows an emotional, psychological or mental concern, LJMS may require a 1:1 shadow for the child, paid for at the parents' expense. LJMS has the right to terminate the enrollment agreement if it is in the best interest of the child, LJMS and/or other students.

Payment Policy

Parents agree to a 10-month enrollment contract (September - Mid-June) with an option to add one or both of the 5-week summer sessions. Tuition for the 2024-2025 school year may be paid annually or may be broken down into **10 equal, monthly installments** (August through May). Monthly tuition is due in advance. Starting on August 25th, all remaining scheduled installments are due on the 25th of each month, whether or not a bill has been received. If you choose to pay annual tuition you will receive a 5% discount. This payment is due any time before August 25th. [redacted] [redacted] (both parents' initials)

If the monthly installment is not received by the 1st of the month, a \$25.00 late charge fee will be assessed *weekly*. Tuition must be current before your child can be re-enrolled for the following school year. Your child may not be admitted into attendance if your account becomes delinquent beyond 15 days of the due date. Student records will not be released if the account is delinquent. A fee of \$25 will be charged for checks returned for any reason and you may be required to make future payments in cash or cashier's check. [redacted] [redacted] (both parents' initials)

Parents agree to drop off and pick up their child at the designated time. LJMS charges a late fee for late pick-ups. Our rate is \$15 for the first 5 minutes and \$1 per minute thereafter. Parents must be prepared to pay this fee upon picking up your child. [redacted] [redacted] (both parents' initials)

La Jolla Montessori SCHOOL

Participation Policy

As discussed during your tour, we strive to provide an educational program for children ages 18 mos through 6 years. Dr. Montessori believed the Primary environment was a better fit for the 5-year old child than the elementary school environment. For that reason, we ask that if you are enrolling your child into our Toddler or Primary Programs, you do it with the full intention to keep your child at LJMS for the whole program, including Kindergarten. Both parents agree to support their child and the school by assuring that the student will arrive on time and attend all scheduled school days unless prior arrangements have been made with LJMS as to the student's absence or the student is absent due to medical reasons.

The parents also understand the importance of their involvement in LJMS and hereby express their intention to attend all required School functions and Parent Nights. New parents agree to attend a MANDATORY Montessori 101 Workshop. New and existing families agree to attend the first Parent Information / Back to School Night (in September). These evenings are important as they explore Montessori Philosophy, discipline ideas and environmental changes you can make at home.

La Jolla Montessori School also requires at least one parent/guardian to attend at least two MANDATORY observation sessions. These observations may take place anytime throughout the school year, but we will also set aside times for you to observe your child just before your parent/teacher conference in November and March. Release and Hold Harmless Authorization for Minor

The undersigned agrees to release and hold harmless, LJMS, its agents and employees from all claims, damages, or other liabilities for injuries to their child, which are not the result of gross negligence by LJMS, its agents, or employees.

By signing this document, each party has read and considered the above terms and conditions, and legally promises and agrees to all stated here or attached hereto. Registration is incomplete without both parent/guardian signatures.

Photo Agreement:

La Jolla Montessori School staff take photos and videos of children working inside and outside of the classroom to capture daily activities. Photos and videos are shared with families via Google Photos. Photos and videos may also be used in promotional media such as the school's website and marketing materials. In signing this agreement, parents/guardians hereby grant permission for LJMS to use media on the applications on the school's website and marketing materials. 5: What if my child does not attend school for any period during the school year?

La Jolla Montessori School's tuition is an annual tuition divided into 10 equal installments regardless of attendance. You are responsible for paying each tuition installment on the due date as per your agreement. In general, we follow the San Diego Unified School calendar. **However, we are often closed or close early in observance of Rosh Hashanah and Yom Kippur. We will not close on Columbus Day and Indigenous Peoples' Day. We encourage families to coordinate travel and appointments around the days we are closed or during the optional summer sessions.**

6: How does tuition for the Summer Sessions work?

In February, we will open up registration for Summer Session 1 and Summer Session 2. Both sessions are five weeks long. Summer affords our staff an opportunity to take time off and travel. To accommodate staff time off, LJMS reserves the right to limit class size. In order to staff these sessions, parents must reserve a placement for each session with a deposit that goes towards summer tuition. Summer tuition is offered at the same monthly rate as the annual school year. However, parents who enroll their child in a summer session agree to pay for the entire five week session - even if they are not attending for all five weeks. Children who re-enroll for Fall or who have a sibling that is re-enrolling have priority in the summer.
